Item 1. Security and Issuer.

This report relates to the common stock, no par value issued by Medical Discoveries, Inc., whose principal executive offices are located at 1388 South Foothill Drive, Suite 266, Salt Lake City, Utah.

Item 2. Identity and Background.

This report is filed on behalf of Mobius Risk Group, LLC, a Texas limited liability company ("Mobius"). Mobius is a commodity advisory firm that provides large energy-consuming companies, utilities and municipalities, and small to mid-sized exploration and production companies with services relating to managing energy risk, energy procurement, asset valuation and management. Mobius also acts as owners' representative in the development and management of energy engineering and demand reduction opportunities as well as provides a full menu of management reports for budgeting, operations, and regulatory requirements. Its principal office and principal business address is: Three Riverway, Suite 1700, Houston, Texas.

The following persons hold the executive office set forth opposite their name. Each of the following person's business address is the same as Mobius.

Eric J. Melvin	Chief Executive Officer
Jonathon C. Ragsdale	President and Secretary
Christine Anderson	Chief Operating Officer
Mark Jackson	Senior Vice President
Paul Smith	Senior Vice President

The following persons are members of the Board of Managers of Mobius. Each of the following person's business address is the same as Mobius.

Eric J. Melvin
Helge Rokenes

Except for Mr. Rokenes, all of the executive officers and Managers of Mobius are employed primarily by Mobius. Mr. Rokenes is primarily employed as portfolio manager for the ABH Investor Group, a private equity investor that owns 20% of the outstanding ownership interests in Mobius.

Neither Mobius nor any executive officer or Manager of Mobius has, within the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or a party to a civil proceeding of a judicial or administrative body which resulted in a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

The securities were acquired in exchange for ownership interests in Global Clean Energy Holdings, LLC, a Delaware limited liability company that owned certain proprietary rights, intellectual property, know-how, business plans, financial projections, contracts, term sheets, business relationships, and other information relating to the cultivation and production of seed oil from the seed of the Jatropha plant, for the purpose of providing feedstock oil intended for the production of methyl ester, otherwise known as bio-diesel. Mobius estimates that the net value of the services contributed to and other investment in Global Clean Energy Holdings, LLC in exchange for such ownership interests was approximately \$1,027,453.

Item 4. Purpose of Transaction.

The securities were acquired for investment purposes pursuant to a Share Exchange Agreement dated September 7, 2007 among Medical Discoveries, Inc., Mobius and Richard Palmer, a former executive officer and employee of Mobius who became the President and Chief Executive Officer of the issuer.

Under the terms of the Share Exchange Agreement Mobius and Palmer transferred all of the outstanding ownership interests in Global Clean Energy Holdings, LLC to Medical Discoveries, Inc. in exchange for 63,945,257 shares of common stock issued by Medical Discoveries, Inc.; of which 54,810,220 were issued in the name of Mobius and 9,135,037 were issued in the name of Palmer. Of the shares issued to Mobius, 23,490,095 are held in escrow and will be re-conveyed to the issuer and cancelled if Medical Discoveries, Inc. does not reach certain performance milestones. All shares issued under the Share Exchange Agreement are restricted and may not be transferred without registration or qualification for an exemption from registration under the Securities Act of 1933 and state securities laws.

The Share Exchange Agreement also provides that Mobius is entitled to nominate one of the five directors of the issuer. Other documents signed by the parties in connection with the Share Exchange Agreement provide for the resignation of Palmer from Mobius, the employment of Palmer and the appointment of Palmer to the board of directors of Medical Discoveries, Inc., the resignation of Ms. Judy Robinnett as the Chief Executive Officer and a director of Medical Discoveries, Inc., and the provision of consulting services by Mobius to Medical Discoveries, Inc.

Item 5. Interest in Securities of the Issuer.

Mobius acquired 54,810,200 share of common stock of Medical Discoveries, Inc., which represent 30.0% of the issued and outstanding shares of Medical Discoveries, Inc. Mobius has the sole power to vote or direct the vote and the sole power to dispose or to direct the disposition of all shares now owned by Mobius. There have been no transactions by Mobius in shares of Medical Discoveries, Inc. within the preceding 60 days.

Except for Palmer, a former executive officer and employee of Mobius, no executive officer or director of Mobius own any shares of Medical Discoveries, Inc. or have engaged in any transactions in shares of Medical Discoveries, Inc. during the preceding 60 days.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Under the terms of the Share Exchange Agreement, 23,490,095 shares issued to Mobius (the "Restricted Shares") are held in escrow. Of the Restricted Shares, 11,745,048 shares will be released to Mobius if Medical Discoveries, Inc. executes land lease agreements and operation management agreements relating to at least 2,000 hectares suitable for the planting and cultivation of *Jatropha Curcas*, within one year, and 11,745,047 shares will be released to Mobius if Medical Discoveries, Inc. meets certain share price and market capitalization milestones within two years. Mobius has the right to vote, received dividends, and otherwise enjoy the rights of a holder of the shares held in escrow pending distribution. In the event that Medical Discoveries, Inc. does not meet the specified requirements, the shares held in escrow will be re-conveyed to Medical Discoveries, Inc. and cancelled and the rights of Mobius with respect to any re-conveyed shares will terminate.

Item 7. Material to be Filed as Exhibits.
