SUMMARY TERM SHEET - TRANSACTION WITH EUCODIS

This Summary Term Sheet summarizes certain material information regarding the proposed sale of assets to Eucodis under the Eucodis Agreement. You should carefully read this entire proxy statement for a more complete understanding of the transaction with Eucodis.

- **Assets Sold (page 15)**

The assets being sold to Eucodis include (i) all of our right, title and interest in a certain Asset Purchase Agreement between Medical Discoveries, Inc. and the liquidator of Savetherapeutics AG, a German company in liquidation, dated as of March 11, 2005; (ii) all of our right, title and interest in that certain agreement between MDI Oncology and Eucodis, dated as of July 29, 2006, in connection with the co-development and licensing of “SaveCream”; and (iii) all of our right, title and interest under certain contracts relating to “SaveCream”. The foregoing represents a substantial portion of our assets.
- **Purchase Price (page 16)**

The purchase price paid by Eucodis is approximately 4,007,534 euros or approximately \$5,641,000 based on the currency conversion rate in effect as of September 25, 2007, comprising a cash payment of approximately \$1.95 million, and Eucodis’s assumption of certain of our obligations and liabilities aggregating approximately \$3.69 million. The financial terms of the Eucodis Agreement are denominated in euros, and we will be paid in euros. However, for convenience, the financial terms have been converted throughout the text of this proxy statement into U.S. dollars. Unless otherwise indicated, all amounts have been converted based upon the currency exchange rate in effect on September 25, 2007 of 1.4076 U.S. dollar for one euro. The currency exchange rate in effect as of the closing of the Eucodis transaction or at any future date may differ.
- **Obligations Assumed and Discharged and Debtedness (page 16)**

Eucodis has agreed to assume aggregate of approximately \$3.69 million or our current indebtedness that we owe to certain of our creditors. Eucodis will also assume all of our financial and other obligations under certain contracts relating to “SaveCream,” and certain other costs we have incurred since February 28, 2007 in connection with preserving the sold assets for the benefit of Eucodis through the closing of the transaction.
- **Non-Competition (page 17)**

We have agreed to a non-compete provision for the duration of five years after the closing of the Eucodis transaction. Specifically, the non-compete provision restricts us from undertaking research and development activities with respect to “SaveCream.”
- **Representation and Warranties (page 17)**

The Eucodis Agreement contains customary representations, warranties and covenants, which survive through the closing of the transaction.
- **Closing Conditions (page 17)**

The closing of the transaction depends on meeting a number of conditions, including the following: our delivery to Eucodis of certain documents necessary to effect the transfer of the assets being sold, and us obtaining additional capital or a credit facility in the aggregate amount of at least \$250,000.
- **The Special Meeting (page 11)**

At the special meeting of our shareholders to be held on October 30, 2007, you will be asked to approve the transaction with Eucodis.
- **Our Board’s Recommendation (page 14)**

Our board of directors has unanimously determined that the transaction with Eucodis is advisable, fair to, and in the best interests of our shareholders.

QUESTIONS AND ANSWERS ABOUT THE TRANSACTION

Q: WHAT IS THIS PROXY STATEMENT AND WHY AM I RECEIVING IT?

A: You are receiving this proxy statement in connection with a special meeting of shareholders called by our Board of Directors for the purpose of soliciting shareholder votes for the sale of our SaveCream asset to Eucodis, our current European licensee and development partner, as more fully described in this proxy statement. You have been sent this proxy statement and the enclosed proxy card because our board of directors is soliciting your proxy to vote at the special meeting of shareholders called for the purpose of voting on the foregoing sale. Eucodis currently holds the exclusive rights to SaveCream within the European Union and certain other countries.

The assets being sold to Eucodis include (i) all of our right, title and interest, along with all of MDI Oncology's right, title and interest, in that certain asset purchase agreement between Medical Discoveries, Inc. and the liquidator of Savetherapeutics AG, a German company in liquidation, dated as of March 11, 2005 (the "Savetherapeutics Contract"), including, among other things, our rights in and to "SaveCream", a developmental topical aromatase inhibitor cream; (ii) all of MDI Oncology's right, title and interest in that certain agreement between MDI Oncology and Eucodis, dated as of July 29, 2006, in connection with the co-development and licensing of the "SaveCream" product; and (iii) all of our (and MDI Oncology's) right, title and interest under certain contracts relating to the "SaveCream" product ((i),(ii) and (iii) collectively, the "Purchased Assets"). This sale of the SaveCream asset to Eucodis will terminate any further obligation on the part of the Company or its subsidiary, MDI Oncology, to spend additional monies to develop SaveCream. This sale may constitute a sale of substantially all of our assets for purposes of Utah law, which governs our corporate matters. Accordingly, the sale is being submitted to our shareholders for approval pursuant to Section 16-10a-1202 of the Utah Revised Business Corporation Act.

Q: HOW MANY VOTES ARE REQUIRED TO APPROVE THE TRANSACTION?

A: Each share of common stock will entitle the holder to cast one vote. A majority of the issued and outstanding shares of our common stock, represented in proxy or in person, shall constitute a quorum. If a quorum exists, the affirmative vote of a majority of the shares of our common stock outstanding on the record date for the special meeting will be necessary for the approval of the Eucodis transaction. Abstentions and broker nonvotes will have the same effect as votes against the proposed transaction. Our outstanding shares of Series A Convertible Preferred Stock are not entitled to vote.

Q: WHAT WILL HAPPEN IF THE SHAREHOLDERS APPROVE THE TRANSACTION?

A: If the shareholders approve the transaction, then shortly following the special meeting, subject to the satisfaction of certain conditions set out in the sale and purchase agreement, the Company and MDI Oncology will sell to Eucodis the Purchased Assets in exchange for:

- a cash purchase price of approximately \$1.95 million, which is payable to the Company at the closing; and

- Eucodis's assumption of approximately \$3.69 million of certain of our liabilities, as more fully discussed under "Proposal I - Terms of Sale and Purchase Agreement - Assumption of Liabilities".

The approximately \$1.95 million in cash proceeds received from the Eucodis sale will be used for general business purposes during the winding up of our old business operations. In addition, since we intend to either acquire or develop a new business, some of the cash proceeds may also be used for that new business. See, "Use of Proceeds" on page 14. It is currently our intent to retain the proceeds indefinitely in the Company. We do not anticipate that any distributions will be made to our shareholders in the near future, if at all.

Q. WHY IS THE BOARD OF DIRECTORS PROPOSING THE SALE OF SAVECREAM?

To date, we have been a developmental-stage bio-pharmaceutical company engaged in the research, validation, development and ultimate commercialization of two drug candidates referred to as MDI-P and SaveCream. Both of these drug candidates are still in development and neither has been approved by the U.S. Food and Drug Administration (the "FDA"). The total cost to develop these two drugs and to receive the approval from the FDA would cost many millions of dollars and take many more years. The Board of Directors has determined that we can no longer fund the development of the two drug candidates, and cannot obtain additional funding for these drug candidates. Accordingly, we have sought to maximize our return from our drug assets through their sale at this time, and to use the proceeds that we receive from the disposition of these technologies to pay off all creditors of the Company, and invest any residual proceeds into our new renewable bio-fuels business.

Q. WILL WE CONTINUE TO OPERATE AFTER THE EUCODIS TRANSACTION IS CLOSED?

A: The Eucodis sale will not result in the dissolution or liquidation of this company, and we plan to continue to operate the company, albeit in a new industry. We have agreed that, following the closing of the Eucodis transaction, neither we nor MDI Oncology will undertake research and development activities with respect to "SaveCream" or any other product which could be used in reasonable substitution of "SaveCream", or commercialize any products based on "SaveCream", except as may be otherwise expressly requested by Eucodis. We also intend to dissolve our MDI Oncology subsidiary after the sale to Eucodis.

Since signing the Eucodis Agreement, we have actively sought to develop a new business to maximize shareholder value. As disclosed on September 17, 2007, we have acquired some intellectual property related to the development of alternative energy bio-fuels, and have hired a seasoned energy executive with many years of experience in the alternate energy and bio-fuels industry, as our new President and Chief Operating Officer. We currently intend to develop this new alternative bio-fuels business.

Additional information regarding the bio-fuels purchase that we announced on September 17, 2007, and information regarding the additional members of our management team is available at the website of the Securities and Exchange Commission at www.sec.gov. You should also review the "Risk Factors" section beginning on page 10 for a discussion of some of the risks related to our future operations.

Q. HAS THE COMPANY RECEIVED A VALUATION OR FAIRNESS OPINION WITH RESPECT TO THE SALE?

A: No. Based on all factors, including the price paid for the SaveCream assets, the uncertainty as to title of those assets, and the book value of those assets, our Board of Directors determined that the purchase price being paid by Eucodis was fair to this company.

Q: WHAT HAPPENS IF THE SHAREHOLDERS DO NOT APPROVE THE TRANSACTION.

A: If the sale of the SaveCream assets is not approved by the shareholders, the sale will be cancelled, and we will continue to own the SaveCream assets. However, since our Board has determined that it is not in the best interests of this company or our shareholders to continue to operate as a drug development company, and since we will no longer invest any funds in the development of SaveCream, we will not continue our efforts to develop that drug candidate. In fact, under the Eucodis Agreement, if the shareholders do not approve the sale of SaveCream to Eucodis, we are obligated to attempt to transfer to Eucodis, by means of a license, or otherwise, our rights to SaveCream.

Q: WHEN IS THE EUCODIS TRANSACTION EXPECTED TO BE COMPLETED?

A: The transaction will close when certain conditions set forth in the sale and purchase agreement are satisfied or waived, or at such other time as is agreed by the parties. We expect the transaction to close on or before October 31, 2007.

Q: DOES THE BOARD OF DIRECTORS OF MEDICAL DISCOVERIES, INC. RECOMMEND VOTING FOR THE ACQUISITION?

A: Yes. After careful consideration of our financial position, the value of the SaveCream assets, the amount of time and funds needed to further develop the SaveCream drug candidate, and other factors, our board of directors has unanimously approved the sale of the SaveCream assets to Eucodis and determined that it is in the best interests of us and our shareholders. Our board of directors unanimously recommends that our shareholders vote "FOR" approval of the sale.

Q: WHAT SHOULD I DO NOW?

A: SEND IN YOUR PROXY CARD. After reviewing this document and its appendixes, indicate on your proxy card how you want to vote, and sign, date, and mail it in the enclosed envelope as soon as possible to ensure that your shares will be represented at the special meeting. If you sign, date, and send in your proxy and do not indicate how you want to vote, your proxy will be voted in favor of the proposed transaction and amendments. If you do not sign and send in your proxy, and if you do not attend and cast your vote in person at the special meeting, it will have the effect of voting against the transaction.

Q: IF MY SHARES ARE HELD IN "STREET NAME" BY MY BROKER, BANK OR OTHER NOMINEE, WILL IT VOTE MY SHARES FOR ME?

A: YES, IF YOU GIVE YOUR NOMINEE INSTRUCTIONS ON HOW TO VOTE. Your broker, bank or other nominee holder will vote your shares only if you provide it with instructions on how to vote. You should instruct your nominee how to vote your shares by following the directions it provides. If you do not provide instructions to your nominee, your shares will not be voted and this will have the effect of voting against the proposed transaction and amendments.

Q: CAN I CHANGE MY MIND AND REVOKE MY PROXY?

A: YES. You may revoke your proxy up to the time of the special meeting by taking any of the actions explained under "The Special Meeting--Solicitation, Voting and Revocation of Proxies" on page 11 of this proxy statement, including by giving a written notice of revocation, by signing and delivering a new later-dated proxy, or by attending the special meeting and voting in person.

Q: CAN I VOTE MY SHARES IN PERSON?

A: YES. You may attend the special meeting and vote your shares in person even if you sign and mail your proxy card.

Q: DO I HAVE DISSENTERS' RIGHTS?

A: No. Under Utah law, "dissenters' rights" are not available to companies that have more than 2,000 shareholders. Based on information provided to us by our transfer agent, we have approximately 2,950 shareholders.

Q: HOW WILL THE ACQUISITION AFFECT MY SECURITIES OF MEDICAL DISCOVERIES, INC.

A: Following the closing of the Eucodis transaction, you will continue to hold the shares of our common stock that you owned prior to the sale.

Q: WHO IS PAYING FOR THIS PROXY SOLICITATION?

A: Our board of directors is making this solicitation and we will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communications by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to shareholders.

Q: WHOM CAN I CALL WITH QUESTIONS?

A: If you want additional copies of this document, or if you want to ask any questions about the asset purchase agreement or the transaction, you should contact _____, at (____)

SUMMARY

This summary highlights selected information from this proxy statement. It does not contain all of the information that you may consider to be important in determining how to vote on the proposed transaction. You should carefully read the entire document and the other documents to which we refer. These will give you a more detailed description of the proposed transaction. Each item in this summary refers to the pages where that subject is discussed in greater detail elsewhere in this proxy statement. In this proxy statement, the terms “we,” “our” and “us” refer to Medical Discoveries, Inc. and its wholly owned subsidiary, MDI Oncology, Inc., unless the context indicates otherwise.

THE PROPOSAL (PAGE 12)

At the special meeting of shareholders, our shareholders will consider and vote upon a proposal to approve the sale and purchase agreement, dated July 6, 2007, as amended (the “Eucodis Agreement”), between Medical Discoveries, Inc., MDI Oncology, Inc. (“MDI Oncology”), our wholly-owned subsidiary, and Eucodis Pharmaceuticals Forschungs - und Entwicklungs GmbH, an Austrian company (“Eucodis”), which provides for the sale of certain of our assets to Eucodis, for an aggregate of approximately \$5,641,000 (based on the currency conversion rate in effect as of September 25, 2007), comprising an approximately \$1.95 million cash payment and Eucodis’ assumption and discharge of certain liabilities and indebtedness, in the aggregate amount of approximately \$3.69 million. The closing of the transactions contemplated by the Eucodis Agreement is subject to the satisfaction of certain conditions, including our obligation to obtain additional capital or a credit facility in the aggregate amount of at least \$250,000. We have already satisfied this condition. The Eucodis Agreement is the document that controls the proposed transaction between the three companies. We encourage you to read the entire Eucodis Agreement, which is attached to this proxy statement as Appendix A.

ASSETS TO BE SOLD AND PURCHASE PRICE (PAGE 15)

The assets being sold to Eucodis include (i) all of our right, title and interest in that certain asset purchase agreement between Medical Discoveries, Inc. and the liquidator of Savetherapeutics AG, a German company in liquidation, dated as of March 11, 2005, including, among other things, our rights in and to “SaveCream”, a developmental topical aromatase inhibitor cream used to treat breast cancer tumors; (ii) all of our right, title and interest in that certain agreement between MDI Oncology and Eucodis, dated as of July 29, 2006, in connection with the co-development and licensing of “SaveCream”; and (iii) all of our right, title and interest under certain contracts relating to “SaveCream”. In this proxy statement, we refer to the assets being sold to Eucodis as the “Purchased Assets”.

The purchase price paid by Eucodis for the Purchased Assets is approximately \$5.64 million comprising:

- a cash payment of approximately \$1.95 million, which is payable to the Company at the closing; and
- Eucodis’s assumption of certain obligations and liabilities, and discharge/pay-off of certain indebtedness on our behalf in the aggregate amount of approximately \$3.69 million.

OBLIGATIONS TO BE ASSUMED AND DISCHARGED INDEBTEDNESS (PAGE 16)

Eucodis has agreed to relieve us of an aggregate of approximately \$3.69 million constituting current indebtedness owed to seven of our creditors. In addition, Eucodis will assume all of our financial and other obligations under certain contracts relating to “SaveCream”, which will be assigned to Eucodis when the transaction closes, and certain other costs we have incurred since February 28, 2007, in connection with preserving the Purchased Assets for the benefit of Eucodis through the closing of the transaction. Other than the foregoing obligations, Eucodis will not assume or be liable for any of our obligations or liabilities.

NON-COMPETITION (PAGE 17)

We have agreed to a non-compete provision for the duration of five years after the closing of the Eucodis transaction. Specifically, the non-compete provision restricts the us from undertaking research and development activities with respect to “SaveCream”, or any other product which could be used in reasonable substitution of “SaveCream, or commercializing any products based on “SaveCream, unless expressly authorized by Eucodis.

OUR REASONS FOR THE TRANSACTION (PAGE 12)

To date, we have been a developmental-stage bio-pharmaceutical company engaged in the research, validation, development and ultimate commercialization of two drug candidates referred to as MDI-P and SaveCream. MDI-P is a drug candidate being developed as an anti-infective treatment for bacterial infections, viral infections and fungal infections. SaveCream is a drug candidate being developed to reduce breast cancer tumors. Both of these drug candidates are still in development and neither has been approved by the U.S. Food and Drug Administration (the “FDA”). The total cost to develop these two drugs and to receive the approval from the FDA would cost many millions of dollars and take many more years.

Our board has now determined that we can no longer fund the development of the two drug candidates and cannot obtain additional funding for these drug candidates. Instead, our board has decided to maximize return from these assets and to invest the proceeds that it receives from the disposition of these technologies into a new business that we would develop. In reaching this decision, the board of directors considered a number of factors, including the following:

- The limited capital raising opportunities available to us, and the unlikely possibility that another entity would be interested in funding our drug development operations.
- The unlikelihood that we will receive requisite FDA approvals to pursue our MDI-P drug candidate through to commercialization.
- The costs of further development of the MDI-P and SaveCream drugs weighed against the limited markets for both drugs.
- The uncertainty of our title in the SaveCream assets. One of the co-inventors of the SaveCream technology is challenging title to the invention in legal proceedings in Hamburg, Germany.

The foregoing discussion of the information and factors considered by our board of directors is not intended to be exhaustive, but includes the material factors considered. In view of the variety of factors considered in connection with its evaluation of the transaction and the offer price, the board did not find it practicable to, and did not, quantify or otherwise assign relative weight to the specific factors considered in reaching its determinations and recommendations, and individual directors may have given differing weight to different factors.

Our board of directors has unanimously approved Eucodis Agreement. The board of directors believes that the transaction and the terms and provisions of the Eucodis Agreement are fair to and in the best interests of our shareholders. Therefore, the board of directors has unanimously recommended that you vote to approve the Eucodis Agreement and the transactions contemplated in the Eucodis Agreement.

USE OF PROCEEDS AND OPERATIONS AFTER THE TRANSACTION (PAGE 14)

Following the closing of the Eucodis transaction, neither we nor MDI Oncology will undertake research and development activities with respect to “SaveCream” or any other product which could be used in reasonable substitution of “SaveCream”, or commercialize any products based on “SaveCream”, except as may be otherwise expressly requested by Eucodis.

At the closing of the Eucodis transaction, in addition to Eucodis's assumption of certain indebtedness, as further described in this proxy statement, we will receive from Eucodis cash proceeds in the aggregate of approximately \$1.95 million. At the time of the execution of the Eucodis Agreement, it was our intention to use the remaining net cash we receive from the Eucodis sale for our future working capital purposes and to fund the development of our recently announce bio-fuels business. At the time that we entered into the Eucodis Agreement, we had not made any determination about future business plans once the transaction with Eucodis closed.

It is currently our intent to retain the proceeds indefinitely in the Company, and use such proceeds towards the start up of our new bio-fuels business. We do not anticipate that any distributions will be made to our shareholders in the near future, if at all.

Since signing into the Eucodis Agreement, we have actively sought to develop a new business to maximize shareholder value. As disclosed on September 17, 2007, we have acquired some intellectual property related to the development of alternative energy bio-fuels and have hired a seasoned energy executive with many years of experience in the alternate energy and bio-fuels industry, as our new President and Chief Operating Officer. We currently intend to develop this new bio-fuels business.

Additional information regarding the bio-fuels purchase that we announced on September 17, 2007 and information regarding the additional members of our management team is available at the website of the Securities and Exchange Commission at www.sec.gov. You should also review the "Risk Factors" section beginning on page 10 for a discussion of some of the risks related to our future operations.

WE DID NOT OBTAIN AN INDEPENDENT APPRAISAL OF THE SAVECREAM ASSETS

Our board of directors did not obtain an appraisal of the SaveCream assets. However, our board of directors believes that the purchase price being paid by Eucodis is at least equal to the fair market value of the Eucodis assets. The belief by our board of directors that we will receive at least the fair market value is based on the following factors: (a) We currently only own limited distribution and other rights available to license other parties - the rights to SaveCream in the European Union countries and certain other countries have already been licensed to Eucodis; (b) The market for a topical neoadjuvant therapeutic for the treatment of breast cancer is comparatively small compared to the cost to gain FDA approval; and (c) The uncertainty concerning ownership of title to the SaveCream asset due to on-going litigation in Germany between the Company, the German Bankruptcy Court, and one of the inventors of SaveCream. Additionally, because Eucodis currently is our development partner, holds rights to SaveCream in certain regions of the world, and is willing to assume all risk associated with the SaveCream, the board of directors believes the purchase price being paid by Eucodis represents fair value for the sale of the SaveCream asset.

OUR RECOMMENDATION TO OUR SHAREHOLDERS (PAGE 14)

Our board of directors believes that the transaction is fair to, and in the best interests of the company and its shareholders, and unanimously recommends that you vote "FOR" the proposal to approve the Eucodis Agreement and the transactions contemplated in the Eucodis Agreement.

CONDITIONS TO CLOSING OF THE TRANSACTION (PAGE 15)

The closing of the transaction depends on meeting a number of conditions, including the following:

- obtaining the consent of a majority of our outstanding voting shares;

- the accuracy of our representations and warranties under the Eucodis Agreement being true on the closing date;
- our performance of all covenants and obligations required under the Eucodis Agreement;
- our delivery to Eucodis of certain documents necessary to effect the transfer of the Purchased Assets; and
- we obtain additional capital or a credit facility in the aggregate amount of at least \$250,000 (a condition that we have already satisfied).

REGULATORY APPROVALS (PAGE 15)

There are no regulatory approvals required to close the transactions contemplated by the Eucodis Agreement.

REPRESENTATIONS AND WARRANTIES; COVENANTS (PAGES 17)

The Eucodis Agreement contains customary representations, warranties and covenants, which survive through the closing of the transaction.

CLOSING OF THE TRANSACTION (PAGE 15)

The closing of the transaction will take place promptly following the satisfaction, or waiver, of certain conditions set forth in the Eucodis Agreement, or at such other time as is agreed by the parties. The transaction is expected to close on or before October 31, 2007.

FEDERAL INCOME TAX CONSEQUENCES (PAGE 15)

We expect that we will recognize taxable gain for U.S. federal income tax purposes as a result of the transaction. However, because of our prior losses, we do not believe that we will have to pay any federal or state income taxes on the profit we make from this sale. We do not expect that our shareholders will recognize any gain or loss for U.S. federal income tax purposes as a result of the transaction.

ACCOUNTING TREATMENT (PAGE 15)

The transaction will be accounted for by us as a sale of assets.

THE SPECIAL MEETING (PAGE 11)

We will hold a special meeting of our shareholders at 10:00 A.M. local time, on Tuesday, October 30, 2007 at the Company's offices located at 6033 W. Century Blvd., Suite 1090 Los Angeles, California 90045. At the meeting, we will ask our shareholders to approve the transaction with Eucodis.

RECORD DATE; VOTING POWER (PAGE 11)

You may vote at the special meeting if you owned shares of our common stock as of the close of business on September 24, 2007, which was set as the record date for the special meeting by our board of directors. You will have one vote for each share of common stock you owned on that date. The holders of our outstanding shares of Series A Convertible Preferred Stock may not vote their shares of preferred stock.

If a quorum is present at the special meeting, then the proposals will be approved if more than 50% of the shares of common stock issued and outstanding on the record date cast votes favoring approval of the Eucodis Agreement and the transactions contemplated thereby. On the record date, 198,041,557 shares of our common stock were outstanding. Broker nonvotes will not be counted towards a quorum at the special meeting, and will count as votes against the proposal. Abstentions will be counted towards a quorum at the special meeting, and also will count as votes cast against the proposal. If you return the attached proxy card with no voting decision indicated, the proxy will be voted FOR the approval of all proposals made at the meeting.

CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING INFORMATION

There are forward-looking statements throughout this proxy statement, including, among others, in statements containing the words “believes,” “expects,” “anticipates,” “intends,” or other similar expressions.

You should be aware that forward-looking statements involve known and unknown risks and uncertainties. Although we believe that the expectations reflected in these forward-looking statements are reasonable, we cannot assure you that the actual results or developments we anticipate will be realized. These forward-looking statements speak only as of the date on which the statements were made, and we undertake no obligation to update or revise any forward-looking statements as a result of new information, future events, or otherwise.

In addition to other factors and matters contained or incorporated in this document, we believe the following factors could cause actual results to differ materially from those discussed in the forward-looking statements:

IF THE TRANSACTION WITH EUCODIS IS NOT CONSUMMATED, WE LOSE APPROXIMATELY \$5.2 MILLION OF CASH AND ASSUMPTION OF INDEBTEDNESS AND, THEREFORE, WILL HAVE TO FIND ADDITIONAL FUNDS TO CONTINUE OUR OPERATIONS.

In the event that the sale of the SaveCream assets is not consummated, we will not receive a net cash inflow of approximately \$1.95 million and will not be relieved of our obligation to repay approximately \$3.69 million of outstanding indebtedness that we currently owe. The foregoing \$1.95 million of cash would be used to fund some of our working capital needs. Without these funds, we will have to find alternative sources of revenues and funds, including raising funds from the sale of securities. No assurance can be given that we will be able to raise additional funds or that we will be able to continue our operations. In addition, if the sale to Eucodis is not consummated, we will still be obligated to repay approximately \$3.69 million of currently outstanding debts and other liabilities. We do not have the resources to repay these amounts. Accordingly, these creditors may bring legal action against us to enforce their obligations, or they may elect to put this company into bankruptcy. In the event that this company is forced into bankruptcy, the shareholders could lose their entire investment in this company’s shares. However, based on the expected net proceeds from the Eucodis transaction, if the Eucodis transaction is completed, based on our current internal forecast, we believe that we will have sufficient capital to fund our working capital expenditures (excluding any capital expenditures for new project costs, and excluding any revenues that our new business may generate) for approximately three months after the date of the closing of the Eucodis sale.

OUR FUTURE BUSINESS IS UNCERTAIN.

We anticipate that we will use the proceeds from the Eucodis transaction to fund our future working capital needs for our new line of business. In September 2007, we acquired certain intellectual properties related to the development of a new business in the rapidly growing biofuels industry. However, we have not yet acquired any assets or generated any revenues from this new business, and our ability to successfully develop a new business in this industry is highly uncertain. We will have substantial competition for business opportunities in the bio-fuels business.

THE TRANSACTION MAY NOT BE CONSUMMATED IF CERTAIN CLOSING CONDITIONS ARE NOT SATISFIED.

The closing of the Eucodis transaction is contingent on us satisfying certain closing conditions, including the satisfaction of the closing conditions set forth in the Eucodis Agreement, including, obtaining the consent of a majority of our outstanding voting shares.

THE SPECIAL MEETING

GENERAL

This proxy statement is being furnished to the shareholders of Medical Discoveries, Inc. (the "Company") in connection with the solicitation of proxies by the board of directors of the Company for use at the special meeting of the shareholders of Company to be held on October 30, 2007, and at any adjournments or postponements thereof. ("MDI Oncology"), a wholly-owned subsidiary of the Company, and Eucodis Pharmaceuticals Forschungs - und Entwicklungs GmbH, an Austrian company ("Eucodis"), pursuant to which the Company will sell certain of its assets to Eucodis.

RECORD DATE; SHARES ENTITLED TO VOTE; VOTE REQUIRED TO APPROVE THE TRANSACTION

Broker non-votes will not be counted towards a quorum at the special meeting, and will count as votes against the transaction. Abstentions will be counted towards a quorum at the special meeting, but will also count as votes cast against the transaction. If you return the attached proxy card with no voting decision indicated, the proxy will be voted FOR the approval of the transaction. Each holder of record of shares of the Common Stock is entitled to cast, for each share registered in his or her name, one vote on the transaction as well as on each other matter presented to a vote of shareholders at the special meeting.

If the transaction is approved at the special meeting, it is expected that a closing of the transaction will occur promptly after the other conditions to the transaction are satisfied. See "Terms of the Sale and Purchase Agreement -- Conditions to Closing the Transaction."

SOLICITATION, VOTING AND REVOCATION OF PROXIES

This solicitation of proxies is being made by the board of directors of the Company, which will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communications by directors, officers and employees of the Company, who will not receive any additional compensation for such solicitation activities. The Company also will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to shareholders.

Shares of the Common Stock represented by a proxy properly signed and received at or prior to the special meeting, unless properly revoked, will be voted in accordance with the instructions on the proxy. If a proxy is signed and returned without any voting instructions, shares of the Common Stock represented by the proxy will be voted "FOR" the proposal to approve the sale and purchase agreement and the transaction and in accordance with the determination of the majority of the board of directors of the Company as to any other matter which may properly come before the special meeting, including any adjournment or postponement thereof. A shareholder may revoke any proxy given pursuant to this solicitation by: (i) delivering to the corporate secretary of the Company, prior to or at the special meeting, a written notice revoking the proxy; (ii) delivering to the corporate secretary of the Company, at or prior to the special meeting, a duly executed proxy relating to the same shares and bearing a later date; or (iii) voting in person at the special meeting. Attendance at the special meeting will not, in and of itself, constitute a revocation of a proxy. All written notices of revocation and other communications with respect to the revocation of a proxy should be addressed to:

Medical Discoveries, Inc.
6033 W. Century Blvd, Suite 1090
Los Angeles, California, 90045

The Company's board of directors is not aware of any business to be acted upon at the special meeting other than consideration of the transaction described herein. If, however, other matters are properly brought before the special meeting, or any adjournments or postponements thereof, the persons appointed as proxies will have the discretion to vote or act on such matters according to their best judgment.

PROPOSAL 1 - APPROVAL OF THE EUCODIS TRANSACTION

GENERAL

At the special meeting, the Company's shareholders will consider and vote upon a proposal to approve the sale and purchase agreement, dated July 6, 2007 as amended (a copy of which is attached to this proxy statement as Appendix A and incorporated herein by reference) by and among the Company, MDI Oncology and Eucodis, which provides for the sale of certain assets of the Company and MDI Oncology to Eucodis in exchange for approximately \$1.95 million in cash and Eucodis' assumption of approximately \$3.69 million of liabilities and indebtedness of the Company and MDI Oncology. The terms of the sale and purchase agreement are more fully described below under "Terms of the Eucodis Agreement."

THE BOARD OF DIRECTORS URGES THE SHAREHOLDERS TO EXECUTE AND RETURN THE ENCLOSED PROXY CARD AS SOON AS POSSIBLE AND UNANIMOUSLY RECOMMENDS THAT THE SHARES REPRESENTED BY THE PROXY BE VOTED IN FAVOR OF THE EUCODIS AGREEMENT AND THE TRANSACTION.

BACKGROUND AND REASONS FOR THE TRANSACTION

To date, the Company has been a developmental-stage bio-pharmaceutical company engaged in the research, validation, development and ultimate commercialization of two drug candidates referred to as MDI-P and SaveCream. MDI-P is a drug candidate being developed as an anti-infective treatment for bacterial infections, viral infections and fungal infections. SaveCream is a drug candidate being developed to reduce breast cancer tumors. Both of these drug candidates are still in development and neither has been approved by the U.S. Food and Drug Administration (the "FDA"). The total cost to develop these two drugs and to receive the approval from the FDA would cost many millions of dollars and take many more years. The Company attempted to fund its development costs through the sale of its equity securities, including the sale of its Series A Convertible Preferred Stock.

At the end of 2006, the Company had virtually no cash, had no source of revenues, had a working capital deficit of nearly \$5,000,000, and had a total shareholders deficit of \$5,500,000. In addition, the holders of the Series A Convertible Preferred Stock informed the Company that they were no longer willing to fund the Company's then current operations and biotechnology business strategy. In December 2006, three of the Company's five directors resigned.

Because of its lack of capital, the Company was unable to fund any on-going operations and was not able to pay its professionals to audit the Company's year end financial statements and to prepare the public company period reports the Company is required to file with the Securities and Exchange Commission. As a result, the Company is delinquent in its Securities and Exchange Commission filings and, in July 2007, the Company was de-listed from the OTC Bulletin Board.

In February 2007, the Company engaged a consulting firm to assist it in resolving its financial issues, to obtain advice regarding any strategic alternatives that may be available to it, and to prevent the Company from losing all of its assets in bankruptcy. During the past several months, the Company has explored a number of transactions that would (i) prevent the Company's shareholders from losing their entire investment in the Company and (ii) enable the Company to repay some of its currently outstanding debts and liabilities.

The Company's Board evaluated the value of both of its developmental stage drug candidates. The commencement of human clinical trials of the Company's MDI-P currently is on Full Clinical Hold by FDA under 21 CFR 312.42(b), and may not be initiated until deficiencies in the Company's IND application are resolved to the FDA's satisfaction. The FDA has concluded that the Company's IND application did not contain sufficient toxicology and genetic toxicology data to support the safety of the proposed clinical trial. The Company considered the uncertainty of the efficacy and safety data of the MDI-P compound, the costs involved in further developing the compound, and the limited market, and thereafter concluded that the Company did not have the capability or capacity to take the MDI-P compound to commercialization. The Company also evaluated the value of its SaveCream drug candidate that is currently being co-developed with Eucodis Pharmaceuticals Forschungs - und Entwicklungs GmbH, an Austrian company ("Eucodis"), and determined that the highest value for this drug candidate could be realized through a sale of that drug candidate to Eucodis.

In reaching this decision, the Company's Board considered several, including, but not limited to the following:

- The limited capital raising opportunities available to the Company, and the unlikely possibility that another entity would be interested in funding the development of the Company's drug candidates.
- The unlikelihood that the Company will receive the requisite FDA approvals for MDI-P to pursue the development of that drug candidate through to commercialization.
- The costs of further development of the MDI-P and SaveCream drugs weighed against the limited markets for both drugs.
- The availability of a potential buyer due to Eucodis's pre-existing interest in the SaveCream drug (Eucodis currently is our development partner and holds rights to SaveCream in certain regions of the world).

The foregoing discussion of the information and factors considered by the Board is not intended to be exhaustive, but includes the material factors considered. In view of the variety of factors considered in connection with its evaluation of the transaction and the offer price, the Board did not find it practicable to, and did not, quantify or otherwise assign relative weight to the specific factors considered in reaching its determinations and recommendations, and individual directors may have given differing weight to different factors.

On July 6, 2007, the Company entered into an agreement with Eucodis (the "Eucodis Agreement") to sell SaveCream for an aggregate of 4,007,534 euros (approximately U.S. \$5,641,000 based on the currency conversion rate in effect as of September 25, 2007), which consideration is payable in cash and by the assumption of certain of the Company's outstanding liabilities. The Company thereafter also entertained various offers to purchase the Company's rights to the MDI-P compound, and on August 9, 2007, the Company sold the MDI-P compound for \$310,000 in cash.

USE OF PROCEEDS AND OPERATIONS AFTER THE TRANSACTION

Following the closing of the Eucodis transaction, neither we nor MDI Oncology will undertake research and development activities with respect to "SaveCream" or any other product which could be used in reasonable substitution of "SaveCream", or commercialize any products based on "SaveCream", except as may be otherwise expressly requested by Eucodis.

At the closing of the Eucodis transaction, in addition to Eucodis's assumption of certain indebtedness, as further described in this proxy statement, we will receive from Eucodis cash proceeds in the aggregate of approximately \$1.95 million. These proceeds will be used to fund our future working capital needs and our future operations. At the time of the execution of the Eucodis Agreement, we had not yet made any determination about future business plans once the transaction with Eucodis closed. Since signing into the Eucodis Agreement, we have actively sought to develop a new business to maximize shareholder value. As disclosed on September 17, 2007, we have acquired some intellectual property related to the development of alternative energy bio-fuels and have hired a seasoned energy executive with many years of experience in the alternate energy and bio-fuels industry, as our new President and Chief Operating Officer. We currently intend to develop this new alternative bio-fuels business.

The Board of Directors has decided to develop a business to produce and sell seed oils, including seeds oils harvested from the planting and cultivation of *Jatropha Curcas* plant, for the purpose of providing feedstock oil intended for the generation of methyl ester, otherwise known as bio-diesel. The Company concluded that there was a significant opportunity to participate in the rapidly growing biofuels industry, which previously was mainly driven by high priced, food oil-based feedstocks. In order to commence its new *Jatropha* based biofuels business, effective September 7, 2007, the Company (i) hired Richard Palmer, an energy consultant, to act as the Company's new President, Chief Operating Officer and future Chief Executive Officer, (ii) engaged Mobius Risk Group, LLC, a Texas company engaged in providing energy risk advisory services, to provide the Company with consulting services related to the development of the *Jatropha* bio-diesel business, and (iii) acquired certain proprietary rights, intellectual property, know-how, business plans, contracts, term sheets, business relationships, and other information relating to the cultivation and production of seed oil from the *Jatropha* plant for the production of bio-diesel. In order to fund the Company's operations until cash is generated from the sale of the Eucodis sale and from the new *Jatropha* business, the Company on September 7, 2007 entered into a \$1,000,000 loan and security agreement.

Additional information regarding the bio-fuels purchase that we announced on September 17, 2007 and information regarding the additional members of our management team is available at the website of the Securities and Exchange Commission at www.sec.gov.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board has determined that the approval of the sale and purchase agreement and the transaction is in the best interest of the Company's shareholders. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE COMPANY'S SHAREHOLDERS VOTE IN FAVOR OF THE APPROVAL OF THE AGREEMENT AND THE TRANSACTION.

REGULATORY APPROVALS

There are no regulatory approvals required to close the transactions contemplated by the Eucodis Agreement.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

We expect that the Company and MDI Oncology, with which the Company files a consolidated tax return, will recognize taxable gain for U.S. federal income tax purposes as a result of the transaction. However, the Company believes that any taxes payable as a result of this sale will be offset by the Company's prior operating losses and by losses during the remainder of fiscal 2007.

We do not expect that our shareholders will recognize any gain or loss for U.S. federal income tax purposes as a result of the transaction.

ACCOUNTING TREATMENT

The transaction will be accounted for by the Company and MDI Oncology as a sale of assets.

The following sets forth a summary of the material provisions of the sale and purchase agreement between the Company and Eucodis (the "Eucodis Agreement"). (h) If any MDI Creditor does not agree to have its debt obligation assumed by, and transferred to, EUCODIS, then EUCODIS shall pay the amount set forth in Section 3.1(a) to MDI for the account of such MDI Creditor, and MDI shall immediately make payment to such MDI Creditor and will be solely responsible for such payment. MDI shall provide written notification to EUCODIS that said payment to such MDI Creditor has been made by MDI.

6.3 In addition to any obligations of indemnification by the MDI Parties set forth under this Agreement, the MDI Parties shall indemnify, defend and hold harmless EUCODIS and its officers, directors, employees, consultants and agents from and against all liabilities, claims, damages, costs and expenses (including reasonable attorney's fees) incurred by EUCODIS and its officers, directors, employees and agents arising from the breach of any of the representations, warranties or covenants made by the MDI Parties under this Agreement.

6.4 In addition to any obligations of indemnification by EUCODIS set forth under this Agreement, EUCODIS shall indemnify, defend and hold harmless the MDI Parties and their officers, directors, employees, consultants and agents from and against all liabilities, claims, damages, costs and expenses (including reasonable attorney's fees) incurred by the MDI Parties and its officers, directors, employees and agents arising from the breach of any of the representations, warranties or covenants made by EUCODIS under this Agreement.

ARTICLE 7 INDEMNIFICATION

7.1 From and after the Closing, the MDI Parties shall defend, indemnify and hold harmless EUCODIS and its officers, directors, employees, consultants and agents from and against all liabilities, claims, damages, costs and expenses (including reasonable attorney's fees) incurred by EUCODIS and its officers, directors, employees, consultants and agents arising from or out of (a) any breach of any representation, warranty, covenant or agreement made by the MDI Parties in this Agreement, (b) any act or omission by the MDI Parties (or their agents and employees) in connection with (i) the Purchased Assets, (ii) the Assigned Contracts, to the extent that the cause for such claim was existing prior to or on the Effective Date, or (iii) the transactions contemplated by this Agreement; *provided, however*, that with respect to the Creditor Indebtedness owing to the MDI Creditors, the MDI Parties shall have no liability.

7.2 From and after the Closing, EUCODIS shall defend, indemnify and hold harmless the MDI Parties and their officers, directors, employees, consultants and agents from and against all liabilities, claims, damages, costs and expenses (including reasonable attorney's fees) incurred by the MDI Parties and their officers, directors, employees, consultants and agents arising from or out of (a) any breach of any representation, warranty, covenant or agreement made by EUCODIS in this Agreement, (b) non-payment of the Creditor Indebtedness to the MDI Parties, or (c) any act or omission by EUCODIS (or its agents and employees) in connection with (i) the Purchased Assets, (ii) the Assigned Contracts, to the extent that the cause for such claim was created after the Effective Date, or (iii) the transactions contemplated by this Agreement.

7.3 No obligation of indemnification shall arise relating to a third party claim or cause of action unless the indemnified Party making such claim shall: (a) notify the indemnifying Party of such claim promptly upon becoming aware of the existence or threatened existence of any such claim giving rise to or that may give rise to a claim of indemnification hereunder, and (b) allow the indemnifying Party full control over the defense of such claim and (c) cooperate in the defense of such claim at the indemnifying Party's expense. Notwithstanding any contrary provision in this Article, the failure to so notify, provide information and assistance shall not relieve the indemnifying Party of its obligations to the indemnified Party hereunder if and to the extent that the indemnifying Party is materially prejudiced thereby. If the indemnifying Party does not timely acknowledge its indemnification obligation hereunder with respect to such claim, or elects not to defend such claim, the indemnified Party shall have the right, but not the obligation, to defend and settle such claim until such time as the indemnifying Party acknowledges in writing its indemnification obligation hereunder with respect to such claim or elects in writing to defend and settle such claim in accordance with the indemnification provisions herein. The indemnified Party shall, at its own cost, have the right to participate in any legal proceeding, settlement negotiation or other like event, and to contest and defend a claim and to be represented by legal counsel of its choosing, but shall have no right to settle a claim without the prior written approval of the indemnifying Party.

7.4 Each Party shall cooperate with and provide to the other all information and assistance which the latter may reasonably request in connection with any claim entitling any party to indemnification hereunder.

7.5 No party shall be responsible for or bound by any settlement that imposes any obligation on it that is made without its prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed.

7.6 For avoidance of any doubt, this Section applies to the situation when (a) both Parties are named defendants, as well as (b) a Party is named a defendant and deems that it may have any right to recourse or indemnification against the other Party under this Agreement.

ARTICLE 8 CONFIDENTIALITY

8.1 For purposes of this Agreement, "**Confidential Information**" shall mean information and data in any medium, including oral, written or electronic, disclosed in connection with this Agreement, relating to the Purchased Assets or the transactions contemplated by this Agreement, along with any trade secrets, business information, technical information, or marketing information that the party disclosing the information deems confidential and has appropriately marked as such prior to disclosing such information to the receiving party. The terms and conditions of this Agreement (but not its existence) are deemed to be Confidential Information that shall not be disclosed to third parties without the written consent of the Parties, with the exception of any regulatory filings, press releases as set forth in Section 9.11, or disclosures to investors that a Party may be required to make under either applicable laws and regulations. Irrespective of the foregoing, Confidential Information shall not include information that (a) was reported as nonconfidential by EUCODIS in writing prior to disclosure, (b) was lawfully in the public domain prior to Closing, or becomes publicly available other than through breach of this Agreement, (c) is publicly disclosed pursuant to legal, judicial or administrative proceedings or otherwise required by law (including, without limitation, regulations promulgated by the U.S. Securities and Exchange Commission), subject to the MDI Parties giving all reasonable prior notice and assistance to EUCODIS to allow it to seek protective or other court orders; and/or (d) is approved for release in writing by EUCODIS. From and after the Closing, all Confidential Information relating to the Purchased Assets shall be deemed to be Confidential Information belonging to EUCODIS.

8.2 Each Party shall:

(a) strictly protect and maintain the confidentiality of the Confidential Information belonging to any other Party with at least a reasonable standard of care that is no less than that which it uses to protect similar confidential information of its own;

(b) not disclose, nor allow to be disclosed, the Confidential Information belonging to any other Party to any person other than to employees, consultants and counsel, on a need to know basis; *provided, however*, that such recipients of the Confidential Information are bound by obligations of confidentiality no less strict than those contained herein;

(c) unless otherwise expressly provided for in this Agreement, not use the Confidential Information belonging to any other Party for any purpose other than in relation to the exercise of its rights and obligations under this Agreement; and,

(d) take all necessary precautions to restrict access of the Confidential Information belonging to any other Party to unauthorized personnel; and immediately notify the Party to which the Confidential Information belongs in the event of any unauthorized disclosure or loss of such Confidential Information.

8.3 The MDI Parties shall not publish or otherwise disclose any Confidential Information about or in relation to the Purchased Assets generated or known to them before or after the Effective Date, without the explicit prior written approval of EUCODIS.

8.4 No Party shall assert that anything disclosed or discussed constitutes a waiver of attorney-client privilege or attorney work-product.

8.5 The Parties acknowledge and agree that monetary damages may not be adequate in the event of a default under this Article and that the non-defaulting Party shall be entitled, without the posting of a bond, to seek injunctive relief by a court or other body granting such relief, in which event such relief or receipt of monetary damages shall not constitute an election of remedies; and the non-defaulting Party is independently entitled to each and every remedy available by law for a default under this Article.

8.6 The provisions of this Article, from and after the Effective Date, shall supersede and fully replace any confidentiality obligations established between the Parties in relation to the Purchased Assets prior to the Effective Date.
